COMMERCIAL.

The warlike aspect of affairs in Europe has given a decided impetus to the flour and grain trade, and there is, consequently, a good deal of activity in commercial circles, which, if it lasts, must extend to other branches and improve things generally. Money is in little more demand, owing to the movements in grain, but for all legitimate purposes is in abundant supply at the banks. In New York call loans are quoted at 2a3 per cent, and the market reported very easy. Government bonds are quiet, without any important changes in quotations, and gold fluctuates but slightly, though the rates are a shade higher than last week. State bonds are firmer, and sales of Virginia consols were made yesterday at 71; coupons brought 814. Local railroad securities are very quiet. Baltimore and Ohio shares are quoted at 1221 a1224

active and prices stiff, with receipts light; sales to-day at 190a200 for fair to choice red. Corn has declined, and about 1000 bushels sold at 60 and 61 for mixed; no white or yellow offered. A small lot of inferior Rye brought 83, and a lot of 132 bushels of Oats 47c. Country produce is declining, and we revise quotations. The market for grain in this city during the last month has ranged higher than any other Virginia market, and prices are but a shade lower than in Baltimore. The Richmond papers of yesterday quote Wheat at 195, and add that that is the highest price paid this season, while Corn is quoted in Fredericksburg and Lynchburg at 48 a53. Wheat has not been so high for several years, and the city merchants think that prices will hold at present figures.

RICHMOND MARKET, April 19 .- The market this week has partaken of the excitement existing elsewhere, and prices have gone up. The otherings of grain, however, have not been large, and the mills depend upon receipts from other markets. The sales on 'Change to-day were at 190a195 for white and red wheat, and 60, 62 and 64 for white and mixed Corn. In Rye and Oats and there is nothing doing and no offerings.

LYNCHBURG MARKET, April 19.-There has been some activity in the market during the week, but the receipts of produce continue light. The quotations are as follows: Wheat 150a175; Corn 50a55; Oats 35a37 for spring, and 10a15 for winter; Rye 55a60.

FREDERICKSBURG MARKET, April 19 .-- The market is more active at an advance in prices. Receipts of grain, however, are very limited. Wheat 150al95 for fair to prime; Corn is quoted at 50a52, but would probably command higher agures; Rye 70a75; Oats 30a35, but nothing

BALTIMORE SUGAR AND COFFEE MARKET .--Sugars-We report an active movement in raw Sugars to-day, and we write the market strong and higher. Sales also of 15 hhds grocery grades New Orleans at 94x94c. The market closes strong, and we now quote as lollows, viz:

Cuba, grocery grades..... Stock here now reduced to 3399 hhds, 617 boxes and 2410 bags. Coffee-There is some little movement in Cof-

he, but though there is no special change in the market the feeling in it is, if anything, a shade easier. We notice the sale to day of an invoice of 1500 bags to a town jobber at 17 or 174c, and of 355 bags do. at 172c, gold, and we quote again as follows, viz:
